DISCUSSION

Welcome and Introductions:

It was a very small band boosters meeting with the 7 band booster members attending.

Budget Update:

Band booster membership is up to 17 members as of August 9, 2007. There has been little activity money-wise since the last meeting.

Old Business:

- Meeting minutes were reviewed and approved.
- Dale Blomgren volunteered to be our Web Master (thank you, Dale).

Uniform Committee:

We have enough volunteers for the uniform fittings on 8/13. There are ambitious plans for the colorguard and volunteers are needed for sewing help.

Product Sales Committee:

- Patti is working on field show shirts. She said that parents expressed interest field show shirts.
- We have permission to sell baked goods at the football games. Patti is purchasing cookies from a wholesale bakery since the food must be commercially made.

Fundraising Committee:

Several fundraising ideas were discussed:

- Car wash/bagging groceries set for August 26.
- Apple Days set for September 8.
- iPod for Apple Days – Patti to check on rules for give-aways
- Best Seat in House – turning out to be labor intensive. We need a volunteer to coordinate this activity to make it happen. May be an option for next year.
- Dave Blomgren suggested an end of season indoor concert - this would need someone to investigate to determine if we want to pursue it.

Social Committee:

Picnic:

- The picnic is next week, an email went out to families. Patti will send out a reminder email next week.
- Patti will talk with Mary Boyde concerning amount of chicken to order.
- Becky will check into having the Marching Band Handbooks available that night
- Set up at 4:00pm
- Tables will be available for membership, apparel, registration, handbooks and volunteering opportunities.
- Martha will have volunteer sign up sheets for the football games, competitions, fundraisers, banquet, homecoming, social activities.

Other social activities:

- Kate Bryant is looking into an activity for 9/7, possibly bowling.
- There will be a sign up sheet for social activities at the picnic.

Equipment Committee:

- Denny will check into bolts that Miles requested.
- We need to figure out trailer loading before 9/15.
- We discussed the possibility of purchasing garment bags for the uniforms. Mary will check into where her daughter's skating team purchased their garment bags.
